Vaultex®

YOUR SAFETY IS IN SAFE HANDS.

CERTIFIED PROTECTION

SUPERIOR COMFORT

INDUSTRIAL GRADE

WHO WE ARE

We at SG Exports - Brand VAULTEX® began our journey in 2003, with a clear vision to make world-class safety footwear accessible to a wide range of customers.

Since then, we have grown remarkably, and we are now proud to be India's largest manufacturer of safety footwear, producing over 5 million pairs of safety footwear annually.

Our growth has been powered by our unwavering commitment to provide our customers with the highest quality safety footwear solutions, combining safety, comfort, and durability in every step. We don't just make shoes; we engineer trust, confidence, and protection for workers across industries.

We constantly invest in cutting-edge technology, advanced materials, and in-house R&D to understand and exceed our buyers' complex needs. This dedication to excellence and service has earned Vaultex a reputation as one of the most trusted and dependable names in the industry. Today, we proudly export our safety footwear to over 50 countries across Europe, Africa, Asia-Pacific, and the Middle East.

We keep moving forward together with the simple commitment to protect those who build the future.

Our business philosophy is "complete customer satisfaction"

VISION

Our vision is to prioritise worker safety by leading with enhanced awareness, ensuring protection, and making safety not just compliance but the foremost priority in every workplace.

MISSION

We believe in delivering complete customer satisfaction by providing high-quality safety footwear that ensures the well-being and comfort of every worker, all at prices that are affordable and accessible to a wide range of customers.
