MADE FOR B2B CONVERSATIONS

Make your enquiry count.

A short, relevant brief helps the sales team understand whether your business requirements fit the available range.

- **Product range** — Discuss safety shoes, gumboots and available models.
- **Business requirements** — Share your buyer type, region and expected order volume.
- **Manufacturer contact** — Connect through the official Vaultex contact channels.
- **Specifications & standards** — Ask the team for the relevant product-specific details and documents.

CREDIBILITY & COMPANY INFORMATION

Proof points from Vaultex's own website.

Use verifiable company facts to build confidence. These are company-reported figures, not customer reviews or independently audited claims.

Read about Vaultex ↗

Since 2003

70,000 sq. ft.
Production facility
The company's About page describes a production facility in Greater Noida, India.

100+*
Distributor network
Vaultex reports more than 100 distributors worldwide on its website.

- ✓ **ISO 9001:2015** — Listed on company website
- ✓ **ISO 14001:2015** — Listed on company website
- ✓ **Indian & European norms** — Company-stated compliance; verify by model

*Company-reported claims. Confirm current figures, certificate validity and product-specific conformity documentation with Vaultex before publishing final advertising creative.

HOW IT WORKS

From enquiry to the right conversation.

A simple process for genuine B2B buyers.

STEP 01
Share your details
Tell us about your company, business type and location.

STEP 02
Choose your range
Select safety shoes, gumboots or another product requirement.

STEP 03
Describe your volume
Share an approximate purchase quantity or monthly requirement.

STEP 04
Discuss next steps
The Vaultex team can assess the enquiry and respond through the agreed channel.

BUSINESS ENQUIRY FORM

Let's talk about your safety footwear requirements.

Complete the form if you're a distributor, wholesaler, dealer, PPE supplier or business purchasing in bulk.
